Alongside this, compliance with the provisions of the German Corporate Governance Code (GCGC) in the MLP Group, the resolution on the Declaration of Compliance pursuant to § 161 of the German Stock Corporation Act (AktG), was a key topic on the meeting's agenda. Extensive reporting was provided on the corporate governance process and the current Declaration of Compliance. Corporate governance

During the financial year the Supervisory Board also addressed the application of the corporate governance principles.

Last year, the Supervisory Board dedicated its meeting on November 13, 2019 again to in-depth discussions on the amendments to the German Corporate Governance Code in the version of February 7, 2017.

In the meeting held on November 13, 2019, the Supervisory Board reviewed the efficiency of its actions based on an evaluation form made available to the members of the Supervisory Board in good time prior to the meeting. The Supervisory Board also discussed procedures in the Supervisory Board, the information flow between the Committees and the Supervisory Board, and the timeliness and sufficient content of reporting by the Executive Board to the Supervisory Board on this occasion. Measures aimed at increasing efficiency were discussed and established.

During the same meeting, MLP SE's Supervisory Board also satisfied itself that the company had met the recommendations of the German Corporate Governance Code (GCGC) as per its Declaration of Compliance pursuant to § 161 of the German Stock Corporation Act (AktG) in the last financial year and will continue to comply strictly with the recommendations of the Government Commission on the German Corporate Governance Code (GCGC) in the version dated February 7, 2017. In November, the Supervisory Board and Executive Board issued a Declaration of Compliance pursuant to § 161 of the German Stock Corporation Act (AktG) for the financial year and made it permanently available to the shareholders via its website.

In accordance with the German Corporate Governance Code government commission, we understand conflicts of interest to mean any special professional or private interests of any member of the Supervisory Board that could potentially pose a threat to or contradict the interests of the company. Conflicts of interest in this sense do not include plurality or the existence of various streams of interests when these express diversity in terms of the Supervisory Board composition desired by the legislator or the German Corporate Governance Code government commission. There were no conflicts of interest in this sense in the last financial year. A summary of corporate governance at MLP, including the Declaration of Compliance from November 13, 2019, can be found in the Executive and Supervisory Board's corporate governance report. All relevant information is also available on our homepage at www.mlp-se.com.

The members of the Supervisory Board independently participated in training measures to aid them in fulfilling their responsibilities – as required by the Corporate Governance Code. In this endeavour they are adequately supported by the company. In addition, members of the Supervisory Board attended a training event on November 12, 2019 in order to maintain the necessary professional expertise. This training addressed various topics, including developments in the field of transitioning IT services to the cloud within the scope of regulated business activities, the new developments associated with the EU's so-called "Banking Reform Package" for implementation of Basel III or parts of Basel IV in the form of the CRD V and CRR II, as well as the planned new developments with regard to Executive Board compensation resulting from the Act for Implementation of the Second Shareholders' Rights Directive (ARUG II), supplemented by the planned new legislation of the German Corporate Governance Code.

Audit of the annual financial statements and consolidated financial statements for 2019

The financial statements and the joint management report of MLP SE as of December 31, 2019 have been compiled by the Executive Board pursuant to the German Commercial Code (HGB). The consolidated financial statements and the joint management report as of December 31, 2019 have been compiled pursuant to § 315a of the German

Commercial Code (HGB) in line with international financial reporting standards (IFRS) as applied in the EU. As of December 31, 2019, KPMG AG Wirtschaftsprüfungsgesellschaft, Berlin audited the financial statements and the joint management report of MLP SE in accordance with the principles of commercial law, as well as the Group financial statements and the joint management report in accordance with the principles of IFRS, issuing an unqualified auditor's opinion in each case. The auditor performed the audit in compliance with the basic principles of sound auditing practices determined by the Institut der Wirtschaftsprüfer (German Institute of Auditors).

The financial statements, together with the joint management report, the auditor's reports and the Executive Board's proposal for use of the unappropriated profit were made available to all Supervisory Board members in good time. The Audit Committee of the Supervisory Board reviewed these documents in detail, reported to the Supervisory Board on its audit and explained its audit opinion. The auditor also reported on the key results of the audit and on the fact that there are no significant weaknesses in the internal monitoring system, the risk management system nor with regard to compliance. The Audit Committee also reviewed the risk management system, the accounting processes and the effectiveness of the internal monitoring systems, risk management and auditing systems, as well as the relationship to the auditor, the proposals for selection of the auditor, the auditor's compensation, the audit assignment and monitoring of the auditor's independence, as well as the additional services performed by the auditor. The Supervisory Board also checked and discussed the documentation and reports in detail. Within this scope, the Supervisory Board also addressed the key audit matters described in the audit opinion, including the audit procedures undertaken by the auditor. In the presence of KPMG AG Wirtschaftsprüfungsgesellschaft, Berlin, which reported on the key findings of its audit, the audit reports were reviewed in detail in the Supervisory Board meeting held on March 18, 2020. The auditor reported on the scope, the key focuses, as well as the significant results of the audit, going into particular detail regarding the key audit matters and the audit procedures employed. With regard to the annual financial statements of MLP SE, these key audit matters encompassed "the recoverability of shares in affiliated companies". With regard to the consolidated financial statements of MLP SE, they encompassed "the impairment of goodwill", as well as "the portfolio of commission income from the brokering of old-age provision products". At this meeting, the Executive Board also explained the financial statements of MLP SE and of the MLP Group, the risk management system, the accounting processes and the effectiveness of the internal monitoring, risk management system, audit system and compliance, as well as giving detailed reports on the scope, focuses and costs of the audit.

The Supervisory Board concurred with the outcome of the auditor's audit and, on the basis of the final outcome of the Audit Committee's audit and its own audit, found no grounds for raising an objection. Accordingly, at its meeting on March 18, 2020, the Supervisory Board approved the annual financial statements and the joint management report of MLP SE, as well as the consolidated financial statements and the joint management report in accordance with IFRS prepared by the Executive Board. The annual financial statements are therefore adopted. Alongside this, the Executive Board is also required to submit a report on a non-financial declaration or a non-financial Group declaration as per § 289b, § 315b of the German Commercial Code (HGB). The Supervisory Board reviewed the non-financial report – prepared by a meeting of the Audit Committee – and did not find any objections.

After performing its own reviews, the Supervisory Board agreed with the Executive Board's proposal to pay out a dividend of € 0.21 per share for the financial year 2019. The equity and liquidity situation, future regulatory requirements and the company's budget, as well as the shareholders' interest in an appropriate dividend were included and weighed up against one another in its considerations.

The Supervisory Board would like to thank the Executive Board, the Management of the respective Group companies, as well as all employees and consultants of the MLP Group for their exemplary personal commitment and achievements in the financial year 2019.

Wiesloch, March 2020
